FC204

Whatever your small business needs, the busy FC204 can be a big help. With its **stylish design** the FC204 is compact, portable and perfect for the home or small office, this pocket Hercules of personal copiers adds a professional touch to your serious and social paperwork. A highly productive machine with **no warm up time**, the FC204 moves your workload along at a highly respectable **4 copies per minute**. It's also a tough small copier, handling up to **500 copies a month** with ease. The simple design is based around an **all-in-one replacement cartridge** which is amazingly easy to change and **copies in a choice of 4 colours**, adding a touch more sophistication to your personal stationery. The FC204 will also accept OHP film, copier labels and postcards as well as standard A4 sheets. Quiet, hard working and with a **free one year on-site warranty** this is one tiny copier that is massive on economy.

paperwork*

FC224

Whether you're coping full-time or part-time, the snazzy pint sized FC224 is perfect every time. **Compact and very portable**, this lightweight desktop dynamo cruises along smoothly at **4 copies per minute** – Flexible enough to work with plain paper and a range of other feed stocks such as OHP film, copier labels and post cards, the FC224 only pauses for refilling every 50 sheets and is easily capable of handling up to **500 copies per month**. The zero warm up time and easy to use **all-in-one replacement cartridge** saves you waiting around or messing about with lots of parts before you start. There's a wide choice of **four colours for copying** and a shade more peace of mind through the free **one year on-site warranty**. Almost silent in running and quietly cost effective, this amazingly adaptable machine is the perfect answer for people who hate wasting valuable working time down at the copy shop. And looks great on any desk too!

FC336

The Canon FC336 is the kind of quiet but hard working assistant that every small or home office could benefit from. Smooth running and highly efficient at **6 copies per minute**, this versatile copier that's very easy to use, fits in seamlessly with all your home and small office requirements. With a **50 sheet multi bypass** and the added ability to take other feedstocks, the FC336 **copies from books and even 3-D objects** up to 2kg. It also has the capacity to copy anything instantly with **no warm up time**. While the stylish colours are designed to blend in with your surroundings, this flexible office dynamo also offers a matchless **choice of 4 colours for copying**. Not that there's any messing around with parts and toner the simple **all-in-one replacement cartridge** can be changed in seconds. To make it even more user friendly, the FC336 comes with a **one year on-site warranty** for perfect peace of mind. It makes any other personal copier look like hard work!
